DECISION NO. 64994ORDEROpen Meeting
June 25 and 26, 2002
Phoenix, Arizona

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. On March 13, 2001, in Decision No. 63446, the Commission granted U.S. TelePacific Corporation d/b/a, TelePacific Communications ("TelePacific" or "Applicant") a Certificate of Convenience and Necessity ("CC&N") authorizing it to provide competitive facilities-based and resold interexchange and local exchange telecommunications services.

2. On December 20, 2001, Applicant filed an application to cancel its CC&N. The application stated that Applicant has never served any customers or subscribers in the State of Arizona and has taken no deposits. Applicant requested the release of its surety bond.

3. On December 31, 2001 the Commission's Utilities Division Staff ("Staff") filed a Staff Report in this matter.

4. In the Staff Report, Staff verified that Applicant has not served any Arizona customers. Staff stated that no prepayments, deposits, or advances would be at risk by cancellation of Applicant's CC&N. In addition, Staff stated that there are numerous other carriers offering services similar to Applicant's in Arizona.

5. Staff recommended that TelePacific's application be approved without a hearing.

6. Pursuant to Commission rules, the Commission may grant the application without a hearing.

CONCLUSIONS OF LAW

1. Applicant is a public service corporation within the meaning of Article XV of the Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

2. The Commission has jurisdiction over Applicant and the subject matter of the application.

3. The cancellation of Applicant's CC&N is in the public interest.

4. Staff's recommendation in Findings of Fact No. 5 is reasonable and should be adopted.

ORDER

IT IS THEREFORE ORDERED that the application of U.S. TelePacific Corporation d/b/a TelePacific Communications for the cancellation of its Certificate of Convenience and Necessity to provide competitive facilities based resold interexchange and local exchange telecommunications services is hereby approved.
